The event calendar will start off with Malinslee & Dawley Bank Day (formerly Malinslee Urban Day) on the 25th July. This event is a free family fun day, and will include: live music, classic car show, exhibitors, family activities and performances by local community groups

Dawley Day has been moved to the 22nd August for this year to be part of the celebration. The day will include the ever-popular stalls, car boots and crafts & activities for children, as well as performances from local groups. There will also be a special performance from Dawley's own Savannah! This year Great Dawley Town Council will also be adding a Food Fair twist.

Page 7 Shop Frontage Scheme

Shop Frontage Scheme

Great Dawley Town Council and the Dawley Regeneration Partnership are working together to introduce a shop improvement initiative which aims to help local traders to improve the appearance of their shop frontages or rear of the shops in Dawley, making Dawley High Street more attractive to shoppers and visitors and therefore rejuvenating the High Street.

The scheme is open to shop owners, tenants and landlords of shops in Dawley to improve the exterior of their premises by providing a grant of up to £250 which must be match-funded by the applicant. The grant can also be used for repainting of a shop front, external signage or lighting.

This scheme has awarded five businesses in Dawley High Street a grant and three of these shops have already started on the upgrade of their shop frontage.

Four more are awaiting consideration by the Dawley Regeneration Partnership at their next meeting.

Shops already receiving help from the Shop Frontage Scheme:

- Supersavers Cash & Carry
- Crystals Cupcakes
- Heavenly Quest
- Tranquil Times
- Flying Juice Tattoo Studio

Supersavers Cash & Carry have used their grant towards painting the frontage of the shop.

Crystals Cupcakes is a new shop in Dawley High Street and has used the grant to contribute towards the renovation works.

Cllr Shaun Davies commented, *"It is great to see The Town Council working in partnership with the DRP on this fantastic scheme. I believe this will make Dawley a nicer place to shop and visit."*

Paul Wolfe, a Director of the Dawley Regeneration Partnership, also commented, *"The Directors of the DRP with the Town Council have set up a fund to support businesses in Dawley. We are delighted that so far five retail businesses have taken up the offer of £250 towards improving the shop frontages."*

Application forms for a grant can be requested from Great Dawley Town Council on 01952 567910.

Parish Environmental Team Apprentice

Great Dawley Town Council are in their third year of the successful Parish Environmental Team Apprenticeship scheme.

Apprentices study for a Level 2 qualification in Local Environment Services through on the job training and assessment, workshops and one to one sessions with a tutor.

Our latest apprentice is 21 year old Stephan Booth; he joined the scheme having completed a Gardening Course at TCAT. He also completed a Telford & Wrekin Council Green Brigade training programme which gives students a taste of land-based studies including grounds maintenance and tree surgery along with practical skills for life.

Whilst on placement Stephan has undertaken a variety of work including cleansing, grass maintenance, hedge maintenance, planting and weeding, and feels that he has made a real contribution to improving the local environment of Great Dawley.

Through this Apprenticeship scheme the previous apprentices have gone on to find employment in the construction industry or progressed to further training courses.
